

YOUNG SCIENTIST RESEARCH AWARDS

2017 Recommendation Form

CHADD, a national non-profit 501 (c) (3) organization, is pleased to announce the continuation of the Young Scientist Research Awards for significant contributions to the on-going understanding of ADHD.

Applicants must be in the process of completing a doctoral degree or have completed one within the last three years with the doctoral degree awarded no earlier than January 2014. They must be involved in conducting research addressing an area of ADHD that will further understanding of the disorder. The research may address any area relevant to ADHD, including, but not limited to

- biological/genetic underpinnings of the disorder
- treatment efficacy
- impact on the individual or family
- school or workplace accommodations
- social stigma and discrimination
- public health
- epidemiology

A minimum of two recommendations is required.

Entries will be judged by a panel of experts in the field of ADHD, including members of CHADD's Professional Advisory Board and CHADD's Board of Directors.

All information will remain strictly confidential.

Applicant's name: _____

Research study title: _____

Your name: _____

Professional Affiliation: _____

Your address: _____

Daytime phone: (_____) _____

Evening phone: (_____) _____

Your e-mail address: _____

Applicant's e-mail address: _____
