### Upcoming Events

#### 3rd Quarter Financial Reports Due

Financial reports for quarter ending March 31, 2018 are due now.

Please don't forget those pesky receipts! You can scan and email reports to [affiliate-services@chadd.org](mailto:affiliate-services@chadd.org) or continue to send via snail mail to the National office.

Hi Everyone,

Thanks to those of you who joined Brian Foy's March 28th Webinar on financial reporting. Since the first quarter of 2018 has just ended, you might find what he shared illuminating and useful. The link to the recording of this webinar is [here](#).

Secondly, we hope you [register](#) and join Belynda Gauthier and many other CHADD Affiliate leaders and stakeholders for the Town Hall on April 25th at 8 pm ET.

Thirdly, keep your eye out for an announcement of elections to our Affiliate Advisory Board (AAB). In case the term "Affiliate" isn't crystal clear in this context, it is a synonym for each one of our 100+ local groups. The terms of office for our 7 current members expire at the end of June. Please seriously consider running for one of those seats or consider encouraging one of your group officers, board members, or group facilitators to run (eligibility for positions should be included in the announcement or shared soon after it is made). Representing all of our local groups can be interesting and rewarding and might even give you the opportunity to serve on CHADD's Board of Directors.

Finally, two quick things. The first is, if you haven't seen it, check out March's BOD meeting summary [here](#). The second is if you would like to be listed as a contact person for one of the following topics (that you could give another Affiliate Coordinator direction on), please let either Brian Foy ([brianjane78@gmail.com](mailto:brianjane78@gmail.com)) or David Trilling ([davidtrilling@att.net](mailto:davidtrilling@att.net)) know. 1. Getting meeting attendees to join CHADD. 2. Getting donations from meeting attendees. 3. General fundraising efforts. 4. Finding places for your group to meet. 5. Recruiting volunteers. 6. Developing leaders. 7. Increase meeting turnout. 8. Developing regular members. 9. How to start offering P2P program. 10. Developing meeting discussion topics for an adult group. 11. Finding speakers for family or adult group, and, 12. Using technology to support your local group's efforts.

Thank you
