Affiliate Outreach Program (AOP) "Grant" Opportunity

CHADD's National Resource Center is committed to enabling CHADD Affiliates to improve the lives of people affected by ADHD. Funds under a Cooperative Agreement with CHADD's National Resource Center will be awarded to two

CHADD Affiliates that propose a plan to use NRC's materials, webinars, marketing collateral and other resources to increase outreach and engagement in their community. This is a competitive program; the best plans submitted will be awarded.
