Announcing the New Volunteer Leader Center for Affiliates!

Updated last month (April 2017), Affiliates will want to bookmark the new **Volunteer Leader Center** as their one-stop resource center. It contains helpful information for running meetings including speaker agreements, sign-in

sheets, support group flyers and meeting room and disclaimer signs.

You will also find CHADD policies and guidelines pertaining to conflict of interest, financial reporting, advertising and media, confidentiality, usage of email addresses and much more.

A big thank you to the subcommittee members of the Affiliate Development & Support Committee who dedicated over a year of work on this project - Sharon Bell, Terri Johnson, Larry Maltin, Judy Marshall and Kelly Montes.

The Affiliate Advisory Board Election

Deadline for Voting is Friday, May 5, 2017

Return your completed Ballot to Jantell_Stone@CHADD.org

Please take a few minutes to review the **AAB Election Ballot** and take a moment to **Meet the Candidates** by viewing their statements and profiles so that you can make informed choices.

IMPORTANT VOTING INSTRUCTIONS: To ensure a cross-representation of all Affiliates (including new, small, and medium/large affiliates), please vote for up to seven (7) candidates total, but **at least one (1) candidate per section**. Your vote will determine who represents your Affiliate's interests, as the responsibility of the Affiliate Advisory Board is to ensure that the needs of all Affiliates are recognized and met by the CHADD Board and National Staff.

Your Affiliate name (for example: CHADD of New York) is required for your vote to be counted and to ensure that **only one ballot per Affiliate is cast**. All votes will be kept strictly confidential.

Election results will be announced in May.

Thank you for your vote in choosing the new Affiliate Advisory Board!
