NEWS from the Affiliate

Hi Everyone.

Three things.

One, we would encourage you to click on the following link to [CHADD's Volunteer Leader Center](#) in case you are unfamiliar with it. **Be sure to login** on this page to [CHADD.org](#) if you don't see documents listed on your screen on this page. The ADS Committee did a terrific job putting together **a set of documents all in one place** that you should find quite useful.

Two, will we see you at the Conference? Six of the seven of us plan to be there, what about you? All six of us want to share with you some of the things we've been working on and connect and hear how things are going with you. So on Thursday (or "**Affiliate Day**" at the Conference) please come to the following planned activities in chronological order.

First for the **ADS Committee Affiliate training**, then for the **Volunteer Awards Luncheon**, then the **National Presentation**, and finally to our **Affiliate Time with their Affiliate Advisory Board (AAB) at 2:30 pm** (until 4:30 pm). This will also be an opportunity to you to connect with other Affiliate Leaders.

Three, please join the **CHADD Leadership Forum** if you are not yet a member. Send your request to join the CHADD Leadership Forum to Affiliate-Services@chadd.org.

And fourth and finally, the seven of us AAB members will be calling you by telephone in the next month or so. So hopefully we'll reach you. If someone leaves you a message from the "AAB" or as an "Affiliate Leader" in the next 5 weeks or so, please do your best to return the call so we can talk and you can help us direct our efforts. And if we are unable to reach you, we will catch you at some other time.
