

New Financial Arrangement between  
CHADD National and Its Affiliates / Local Groups

**P2P Revenue Distribution**

Note	Consumer Pays	What each gets paid		
		Instructor (amount from consumer payment)	Affiliate (amount from consumer payment)	National (amount from consumer payment)
By Percentage (%)		<b>25 %</b>	<b>40%</b>	<b>35%</b>
<b>Recommended Charge (maximum)</b> (Please <b>don't charge more</b> than this for P2P)	\$199.00	\$50.00	\$79.00	\$70.00
If you charge:	\$175.00	\$44.00	\$70.00	\$61.00
If you charge:	\$150.00	\$38.00	\$60.00	\$52.00
If you charge:	\$125.00	\$31.00	\$50.00	\$44.00
<b>Recommended Charge (minimum)</b> (Please <b>do not charge less</b> than this for P2P)	\$100.00	\$25.00	\$40.00	\$35.00

As you will note in the above chart, affiliates may modify the pricing to meet its local environment, except that a price below \$100 should be pre-approved by National and the AAB who will review all adjusted pricing as part of its marketing data collection efforts.

The percentages, as you will note above, would remain the same. Of the price charged by the Affiliate, 65% goes to the Affiliate and 35% goes to National. Of the 65% to the Affiliate, 25% of that is paid to the teacher.

All classes will be advertised on National's website. A form will be sent to all Affiliates to fill out and send back to [Trish.White@chadd.org](mailto:Trish.White@chadd.org) in regard to their P2P training. (Form: <http://www.123formbuilder.com/form-1574585/In-The-Community-Classes-Request-To-Add-To-CHADD-Calendar> )

The information from your form will be used to market your P2P training via the website with a link for registrants to pay for your class. National will then handle the registrations and collections of payments and transfer the funds to the Affiliate.
