

VOLUNTEERS NEEDED FOR A ONE ON ONE INTERVIEW RESEARCH STUDY.

Adults with ADHD: Perceptions of College Resources to Assist with Career Decisions

My name is Lynette Mccullough and I am a graduate learner under the direction of Dr. Betsy Diegel, Chair in the College of doctoral studies at Grand Canyon University. I am recruiting individuals to explore how young adults with ADHD perceive the support and influence of college resources to make career fit decisions.

Participants in the study will be 10-20 young adults with ADHD for one on one interviews between the ages of 18 and 40 in the U.S. Participants will be contacted after interviewing for member checking to ensure the accuracy of the data. Member checking will last approximately 20-30 minutes.

Requirements of the study:

- males or females ages 18-40 with ADHD
- 30-45-minute interview virtually via (Zoom).
- The participant is expected to work or have worked at least part time, have at least two years of college experience, and have used disability center or career center.
- Your name will be entered into a drawing to win a 25-dollar e-gift card prior to your participation.

Your participation in this study is voluntary. If you have any questions concerning the research study, please call: Primary Investigator Lynette Mccullough at 773-599-1251 or email me at lmcculloug@my.gcu.edu.
