## WE Need YOU...

The Affiliate Development & Support Committee, co-chaired by Tish Michel and Jantell Stone, is seeking new members and leaders for its two workgroups:

- Leadership Development (coordinates training & support activities for locals)
- Tools & Products (materials to support local affiliates)

If you are interested in serving on our committee or workgroup, please contact [affiliate-services@chadd.org](mailto:affiliate-services@chadd.org)

## ADHD Resource Corner

Need to find a treatment center for substance abuse/addiction and/or mental health problems?

**SAMHSA's Behavioral Health Treatment Services Locator** can help locate facilities in your area. Facility types include substance abuse, mental health, health care centers, buprenorphine physicians, and veteran's affairs.

Search the locator using an address, city, state or zip code. A helpful locator map is provided in the search results. A search can be narrowed by several choices including type of care, service setting (outpatient, residential, inpatient, etc.), special programs offered, age groups accepted, payment type accepted, availability of payment assistance, and language.

The 4-minute [video tutorial](#) on using the locator is helpful.

## 4th Quarter Financial Reports

Financial reports for quarter ending June 30, 2018 are due now.

Please don't forget those pesky receipts! You can scan and email reports to [affiliate-services@chadd.org](mailto:affiliate-services@chadd.org) or continue to send via snail mail to the National office.

Use the [Parent to Parent marketing toolkit](#) and the [Teacher to Teacher toolkit](#) to quickly and easily spread the word to your meeting attendees.

Help parents and teachers in your community by providing them with information about our training programs. There are many ways to let others know about P2P and T2T. Use your

social networking skills, share flyers at meetings, or share information in your newsletter.

### Community Event/Health Fair Initiative

CHADD's National Resource Center is committed to helping CHADD Affiliates support ADHD education needs in their communities and improve the lives of people living with ADHD.

CHADD's National Resource Center (which is funded by CDC) has funds available to Affiliates that plan to use NRC's materials, webinars, marketing collateral, and other resources to help affiliates increase outreach and engagement in their community. Education, Outreach and Impact are key goals of NRC's Work Plan delivered to CDC, and are therefore important to CHADD, its Affiliates, and the people we serve.

If you have a health care event planned [CLICK HERE](#) to fill out a short form to let us know what you're doing.

**Objectives of the Program:** To increase the number of people and organizations that access NRC materials and programs in the community, and to increase the number of people acting on those materials by engaging with the Affiliate and/or CHADD. It's a plus if your outreach is to underserved populations (i.e. African-American, Hispanic/Latino, etc.)

### **How much will be awarded?**

- \$150 operational funding
- Free printed NRC resources; amount and type is dependent on your outreach

After your planned event, [CLICK HERE](#) to let us know the results.
