

RESEARCH STUDY

A BOUT THIS STUDY

The primary goal of this study is to learn more about the experiences of school-aged students diagnosed with ADHD.

D O YOU...

...have a child **aged 8-17** with a formal diagnosis of ADHD?

If yes, then your child is eligible to participate in this study, and we want to hear from you! ←

H OW PARTICIPATION WORKS

Your child will be asked to complete a 10- to 15-minute survey, and you (parent or guardian) will be asked to complete a brief (5-10 minute) survey. Please note that ALL survey responses will be completely anonymous and will not be shared with anyone other than the researcher!

D EFINITE BENEFITS OF PARTICIPATING:

By participating in this study, your child will be entered to win a \$50 Amazon gift card—and will contribute to beneficial research that will help the kids of our future!

FOR YOUR CHILD TO PARTICIPATE (OR FOR MORE INFORMATION), PLEASE CONTACT:

Leeann Trimarchi, MS.Ed. (PhD Candidate, Fordham University)
