TO PARTICIPATE IN THE RHINO ADHD STUDY

AS PART OF THIS STUDY, YOUR CHILD WILL...

- Visit the BCH LCN (located at 2 Brookline Place) for 3 hours while following COVID precautions
- Participate in an EEG, a painless, non-invasive way to measure brain activity
- Play problem-solving and memory games
- Complete brief developmental and pre-academic testing
- Earn \$40
- Receive a written summary of developmental and pre-academic testing
- Receive a picture of their brainwaves

For more information with no obligation to participate,
call, email, or visit our website:
