General Information

THE ANNUAL INTERNATIONAL CONFERENCE ON ADHD IS PRESENTED TO YOU BY ACO, ADDA, AND CHADD

WHY WE DO WHAT WE DO

For individuals with ADHD, life is riddled with difficulties in interpersonal, social, academic, and professional skills. ADHD causes significant impairments in school, work, and relationships. When not properly identified, diagnosed, and treated, it may have potentially devastating consequences, including substance abuse, accidental injuries, and legal difficulties.

ADHD is highly manageable with an individualized multimodal treatment approach that can include behavioral interventions, parent/patient training, educational support, and medication.

About ADHD Coaches Organization (ACO)
ADHD coaching is a collaborative, supportive, goal-oriented process in which the coach and client work together to identify the client’s goals and then develop the self-awareness, systems, skills, and strategies necessary to achieve those goals and full potential. Learn more by visiting adhdcoaches.org.

About Attention Deficit Disorder Association (ADDA)
ADDA provides information, resources, and networking opportunities to help adults with ADHD lead better lives. If you’re an adult with ADHD (or you love one), learn more about what we can do to help make your (or their) life better by visiting add.org.

About Children and Adults with Attention-Deficit / Hyperactivity Disorder (CHADD)
CHADD is dedicated to improving the lives of the 17-million children and adults in the United States who live with ADHD every day, and all who support them. We invite you to learn more by visiting chadd.org.
