

## Participate in Our Research Study!

### Exploring Gender-Based Issues and ADHD Diagnosis in Women

#### ★ You're Invited! ★

🔍 **About the Research Study:** We invite you to participate in a research study conducted by The George Washington University. We're researching the experiences of women diagnosed with Attention Deficit Hyperactivity Disorder (ADHD) to enhance mental health support and diagnostic accuracy.

#### 👤 **Who Can Participate in the Research:**

- Women diagnosed with ADHD

#### 💬 **Participation Details:**

- One-on-one research interviews (about 30 minutes)
- Conducted via Zoom for your convenience
- Your privacy is protected

**To Join the Research:** Visit <https://calendly.com/undubuisi/adhd-study-interview> to learn more and sign up for our research study.

**Questions About the Research?** Contact Ugochi Ndubuisi, MPH at [undubuisi@gwu.edu](mailto:undubuisi@gwu.edu) or 757-7746091.
