

Upon completion of your participation, you will receive a **\$30 CAD Amazon e-gift card & a resource for parenting children with ADHD.**

Hello Parents!

We need to listen to your voice of experiences parenting your child with ADHD together with your partner!

We are studying how parents work together with their partner to raise their 7–12-years-old child with ADHD.

Faculty of Education
Department of Educational & Counselling Psychology, and Special Education

If eligible, you will be invited to participate in an individual interview on UBC Zoom.

This is a thesis study as partial requirements for Minyeong Cho's MA in the School and Applied Child Psychology program at UBC under supervision of Dr. Laurie Ford

We will ask you to share your experience of parenting child(ren) with ADHD along with your partner.

Participation in this research project is voluntary and all information you provide will be confidential.
