

ARE YOU A PARENT OF A 18-25 YEAR OLD WITH ADHD WHO WON'T SEEK HELP ON THEIR OWN?

We are adapting a family-based intervention to better engage young adults with ADHD in need of mental health treatment through improving communication and overall well-being - **we want to hear from you!**

Eligibility for this study:

- Be at least 18 years old
- Have access to a computer or phone with Zoom capabilities
- Have a child who:
 - is between 18-25 years old with diagnosed ADHD
 - you're in contact with (in past month)
 - you have concerns about their level of treatment/service engagement
- Complete the screening survey ->

Participants complete questionnaires (10-15 min) and Zoom audio-recorded focus group or individual interview (60-90 min)

Screening survey:

You will receive \$50 as a thank you for your time!

This study is conducted by Hong Bui, M.S. and Andrea Chronis-Tuscano, Ph.D. at the University of Maryland (IRB# 2229672-4): craft-adhd@umd.edu
