ADVOCACY

8 CHADD on the Global Stage: Highlights from the 10th World ADHD Congress

CHADD Staff

When science, advocacy, and personal experience align—across borders and disciplines—transformative change becomes possible.

TRIBUTE

12 The Gentle Giant of ADHD: Honoring L. Eugene Arnold

Peter S. Jensen, MD

In late April 2025, the field of child and adolescent mental health lost one of its most enduring champions.

PARENTS & EDUCATORS

14 Planners and Students with ADHD

Rachael A. Moss, MA, MSED

Educators and parents can support every learner by avoiding the pitfalls of organizational interventions.

18 Tutoring Markus in Math: External Executive Function Supports, ADHD, and Long Division

Erik Dutilly, PhD

Children and teens who struggle with tedious, detail-oriented tasks often require tailored and innovative strategies for building skills.

COLLEGE & ADHD

20 Helping Students with ADHD Navigate the Challenges of College Life

Arthur D. Anastopoulos, PhD, and Allison C. Bray, PhD

Guided by cognitive-behavioral principles, the ACCESS program gives students with ADHD the knowledge, skills, and confidence necessary for managing responsibilities that arise in college.

24 Should You Include ADHD in Your College Application?

Jenna Shulman

College applications are more than test scores and transcripts—they're about telling your story. Here's a guide to making thoughtful decisions about what to include.

LIFESPAN

28 How Occupational Therapy Is Transforming Lives for Adults with ADHD

Ziqun Zhou, Roxie Li, and Zara Harris, MSOT, OT

Rather than urging conformity with "normal" ways of doing things, OTs focus on helping people discover solutions that work for and empower them.

32 ADHD Before It Had a Name: Growing Up Untreated in the 1960s

Mark E. Paull, CACADHD

Over decades, he learned to make his ADHD a tool rather than a burden.

34 Gamify Your Life: A Powerful ADHD Hack

Maggie McCane, LCSW, EMDR-C

Harness your brain's natural strengths to increase focus, stay motivated, and feel proud of your progress.

DEPARTMENTS

PROMISING PRACTICES 3
