Quick Update for Our Amazing Chapter Leaders and Volunteers!

We're so grateful for everything you do—your time, heart, and commitment make all the difference in our mission. As we continue growing together, we've updated our Volunteer Agreement to reflect a few small changes that help us stay aligned and support each other even better.

We kindly ask all chapter leaders and your chapter volunteers and advisory board members to review and sign the updated agreement by **Thursday, July 31, 2025**.

It only takes a few minutes, and it ensures we're all on the same page moving forward. **If you serve in more than one volunteer role, you only have to complete one agreement per year and all your roles are covered!** Volunteers will be required to log into their CHADD member account to complete the agreement. Select the link below to complete your agreement. Download and share the QR Code with your volunteer team!

CHADD National Events Calendar

Great news! Local chapters can now list their meetings directly on CHADD's national events calendar, making it easier than ever for members to stay connected and informed. This new feature helps shine a spotlight on your events and encourages greater engagement across our entire community.

CHADD coordinators and co-coordinators can access the submission form in the Volunteer Portal. Coordinators will be required to login to their member profile to submit events.

To help set clear expectations and maintain our commitment to neutrality, in addition to providing the CHADD Participation Agreement at all your chapter meetings, we kindly encourage you to read the CHADD Disclaimer at the beginning of each meeting.

"CHADD does not endorse products, services, publications, medications, or treatments, including those advertised in any CHADD publications, webinars, or podcasts."

It's a simple way to remind participants that, while we may host a variety of perspectives or speakers, our organization does not endorse any products, services, or personal viewpoints presented. This small step goes a long way in keeping our space welcoming and respectful for all.

You can also include both the **CHADD Participation Agreement** and the **CHADD Disclaimer** as a pop-up in your Zoom meetings.
