

SEEKING ADULTS WITH ADHD

● **Your workplace experiences matter. Share your perspective.**

ABOUT THE RESEARCH STUDY

This study explores how adults formally diagnosed with ADHD experience routine workplace practices.

WHO MAY PARTICIPATE?

You may be eligible if you:

- Are age 18 or older
- Have a formal clinical ADHD diagnosis
- Work for a U.S.-based organization with 100+ employees
- Work at least 20 hours per week
- Have at least six months tenure
- Are able to communicate in English

CONFIDENTIALITY

Reasonable measures will protect your confidentiality. Your name will be replaced with a pseudonym. Your employer's name will not be collected or reported.

APPRECIATION GIFT

After completing all study activities, you will receive a \$25 Amazon e-gift card.

WHAT WILL PARTICIPANTS DO?

- Complete a 10-minute online questionnaire
- Join a 60–90-minute Zoom interview*
- Review the transcript for 10–15 minutes and reply within 72 hours

TOPICS

ADHD-related workplace experiences; demographic and employment context; communication, feedback, tasks, environment, accommodations, and work strategies.

Participation is voluntary. Some questions may cause emotional discomfort. You may take a break or stop participating at any time without penalty.

*Audio recording is required. Participants may keep their cameras off if they wish.

Thank you for considering participating in this voluntary research!

INTERESTED?

Scan the QR code to complete the 3-minute eligibility screening.

Completing the screening does not guarantee enrollment or selection.
